

How You Can Help

The **United Way of Coastal Georgia Community Fund** is the vehicle that allows you to accomplish all of this. It is the UNITED WAY to give.

Contributions to this fund stay in your community. Your neighbors throughout the Coastal Georgia region are the recipients of funding through United Way, either through support of partner agencies, direct services, or through special outreach programs, projects, and initiatives.

UNITED WE CHANGE LIVES

The power of your gift is **multiplied** when combined with hundreds of others. Through the Community Fund, your contribution stretches across a myriad of nonprofit organizations, allowing you to have the greatest impact on our community.

By **leveraging** donor dollars with our capacity-building grant process, we ensure the **greatest return on investment** for our donors, nonprofit partners, and those whose lives we improve together. Contributions are wisely invested in solution-driven, results-oriented programs in the social service sector, and projects reach people in high need areas of Coastal Georgia.

Through your generosity, United Way is able to touch the lives of one in three residents in Coastal Georgia each year.

LIVE UNITED for Coastal Georgia

Now serving Brantley, Camden, Charlton, Glynn, McIntosh, Pierce, and Wayne Counties

Who We Are

Created by the community for the community, United Way is the one way we can all come together to **support** each other with a safety net of programs, services, and pathways toward economic self-sufficiency. It is how we create **positive**, meaningful experiences for so many of our neighbors. It is how we bring together business, government, education, and social services to address the most pressing **community needs** and co-create solutions for the **long term**.

What We Do

GIVE. ADVOCATE. VOLUNTEER.

INVEST IN YOUR COMMUNITY AND MAKE A DIFFERENCE TODAY.

United Way volunteers strive to improve lives by mobilizing the caring power of our community. By connecting families, individuals, corporations, and community groups to service opportunities, we aim to meet the needs of our neighbors in Coastal Georgia.

If you are interested in volunteer opportunities with United Way of Coastal Georgia, please fill out the volunteer form online at www.UWCGA.org/volunteer.
